Felisha is celebrating 10 years in business and still going strong!!!!

Felisha Patton- Owner/Stylist

10 years ago, with much apprehension, a young mother of 2 baby boys decided to follow God's plan for her life. In so doing, Felisha's Hair Salon was born. Felisha Patton never imagined that this was her calling, but she was soon to realize that God had a plan for her life. With God's plan at hand and her family by her side the journey began.

Felisha is a gifted stylist who has been doing hair for 15 years. She graduated from Hair Technology Institute and has been a licensed stylist since 1994. Simply ask any of her clients and you will find that her talent is only one of the many reasons that they keep coming back. She has the ability to provide her services with a kind heart and gentle spirit; courtesy of Jesus Christ. With God's love and guidance Felisha's business has continued to grow and thrive.

Felisha's was initially located on North Main St. in Waterbury. After 9 years growth was inevitable and the move was on. God opened a new door; thus beginning a new chapter. It was at this time that Felisha's relocated to the current Stillson Rd. location.

Felisha is grateful to all who have been supportive, prayerful, and have travelled this road with her. Join us in celebrating 10 years, still going strong!!!! We hope that you all enjoyed our customer appreciation week. Be blessed...
